A Recipe for Playdough

You will need:

3 level cups of plain white flour.

1/2 cup of salt.

4 level tsp. of cream of tartar or use cream of tartar powder sachets

4 level tsp. of vegetable oil

2 cups of water (add food colouring of choice to the water).

Method:

Sieve the flour, salt and cream of tartar into a large saucepan and mix with a spoon.

Add the oil and water.

Cook over a low to medium heat.

Stir continuously until the dough becomes thick and leaves the sides of the pan.
